TEMPLATE FOR POLY FABRIC SAMPLE SIZE

4M X 8M Folding Tent

Please Note:
All artwork is printed in CMYK coloursspace
Please Convert all PMS or RGB artwork to an equivalent CMYK breakup

Please be aware that slight colour variation may occur in the printing process from a monitor output. Place artwork in the designated layer of this document

This template is designed at a 10% scale of the final product. Rasterised artwork supplied at 300dpi to suit this template size is the minimum requirement for a high quality final print
